**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In order to break monopolies like ATT it is imperative to share infrastructure within the telecoms. I have had some kind of internet connection since 1990. It is a basic requirement. And for many, many years have chosen Sonic.net as my network provider. I get personiled support and consistent service. Please! Do not block local internet providers. And while I am writing: Restore Net Neutrality.
